

MELCHIZEDEK HOUSE OF PRAYER

MY HEART RACES
POEM
APRIL 23, 2010

My Heart Races

My Heart Races

The cacophony of the ages

Demons transfixed in bellowing discordant

Fathomless Darkness: A prism of Light shines forth

The paradoxical unveiling of the Son

Humanity and Divinity coincide

Human DNA paired with matchless supremacy

Unfathomable riches found embodied in simplicity

A King is born to be crushed: Propitiation satisfied

His Father's Delight

My Heart Races

The Lord brought this poem through prayer on Friday, April 23, 2010 while preparing Sunday's message "Matthew's Gospel: Birth Announcement of the King"
